Copy of Government of Madras, Development Department, Fort St. George, Madras, Memorandum No.99305-A. III/47-8- dated 29-10-47.

Sub:----AGRICULTURE- Sunn Hemp and other green manure seeds- cultivation details- Entry in village- records- Instructions to Collectors- Issued.

At present the Karnams do not record separately the area under different kinds of green manure crops or the purpose for which they are raised. The Director of Agriculture considering that it will facilitiate the procrurement of green manure seeds, if particulars of the cultivation of green manure crops and the names of the ryots are known. The Collectors of all districts are therefore requested to direct the village karnams immediately (1) to record in the cultivation accounts the area under different kinds of green manure crops and the purpose of cultivation viz. green manure, fodder or seeds production, and (ii) to furnish an abstract of the cultivation of green manure raised for need purposes showing (a) the name of the ryot (b) the kind of green manure crop and (c) the extent cultivated for seed purposes. This abstract should be sent by the Karnams to the Taluk Officers and they in their turn should furnish the information to the respective Agricultrual Demonstrators in their jurisdiction before 15th December.

2.As the green manure crops will be harvested mostly in December, the Collectors are requested to take immediate steps for recording the cultivation details even this year and submit a report to Government before 10-11-1947 on the action taken by them. The Board of Revenue is requested to issue any supplementary instructions necessary in the matter.
